## ...Purpose

Harmony, the fellowship of friends and faculty working together.

deepening thought, broader variety; and height in striving toward a goal.

Contrast,, represented by a diversity of activities as solemnity mixes with humor and relaxation becomes work.

Action and Enthusiasm compose the inner spirit of HEATH through the many activities that are undertaken, and enthusiastically complete.

...Harmony

IN MUSIC. . .

With the melodic strains of  
notes blending,

IN FRIENDSHIP. . .

Some long, others only a  
week old.

HARMONY is always present,

In the delight of doing things  
together, that if done alone  
would mean so little.

...Perspective

To be able to take a thorough look at life--  
 Is perspective.  
 Through our days at Heath,  
 We are presented with the chance  
 To view many types of people.  
 We learn about a variety of things...  
 Always broadening our thoughts and beliefs.

## ... Contrast

In the many different activities offered,  
 In the various attitudes taken toward  
 participation;  
 In the quality of work done,  
 And the people who do it...  
 Heath is contrast.

Action. . .

In an infinite variety of ways  
 Heath is constantly on the move.  
 In class, on field trips;  
 Earning money for school organizations.  
 From 8:00 in the morning  
 Til 6:00 at night...  
 Heath seldom stops to rest.

## . . . Enthusiasm

Crowds cheering, students yelling  
As the team goes on to victory...  
Or defeat.

Enthusiasm is shown not only  
through sports;  
It is reflected in the attitude  
taken  
Toward classes, clubs, and  
competition.

#### SUPERINTENDENT'S MESSAGE

In years to come as you leaf through the pages of this excellent yearbook, we sincerely hope that it will bring back many fine memories of the enjoyable and rewarding experiences you shared here with your fellow classmates.

The qualities of leadership, sportsmanship, citizenship and scholarship you offered to this school and this community have been outstanding.

We are confident that you will take these fine qualities with you as you journey through life.

I join with your parents, teachers, and classmates in wishing the very best to each and everyone of you.

Rod Swank, Superintendent

#### TO THE SENIORS - -

The 1964 ERICA reflects your yesterday and its scope of activities - class work, clubs, sports, and social activities.

Today is now and there is much to be done. You must be at your tasks for tomorrow's success is only a possibility shaped by today's efforts. Today's successes are the results of yesterday's labor.

Our hopes for success go with you.

Joseph Marks, Principal

Let us congratulate the first group of seniors completing their vocational studies at the Heath Area Vocational School. May they fulfill the aspirations and hopes of parents and community.

In looking back the seniors may realize that as part of their education, vocational education has helped them to develop abilities, attitudes, and appreciations to enrich their lives.

We owe thanks to the Board of Education and to the citizens of Heath who in their foresight enabled these students to learn a trade, become wage earners, and take their place in a democratic society.

Sig Guckenheimer, Vocational Director

The Heath Board of Education is the foundation of our school system. Its members, who are elected to their positions, handle such important tasks as hiring new teachers, selecting new textbooks, deciding school policies, regulating salary scales, and governing tax funds for new buildings, repairs and new equipment needed by our schools.

BOARD MEMBERS are: Seated: Edward M. Wilson, Jr.; President Harmon J. Orr; Helen Van Winkle, Clerk-member. Standing: Jack N. Beets and William Koppert.

Mr. Condit

The day, November 22, 1963, started like any other day at Heath. Students came to school and were busy in the classrooms.

Then came the 6th period and the P. A. system came on with Mr. Marks making the sad announcement, "We have received word that the President has been shot..."

Students and teachers alike could not believe their ears. Many of us prayed, many cried, most just sat and stared.

Rev. Linn was in the building that day and came on the inter-com to lead us all in prayer for our dear President. But the assassin's bullet had done its work and the country lost a president and gained a new one.

JFK, Jackie, Dallas, Texas, motorcade, Lee Oswald--those names we were never to forget.

THE "FIGHTING 100"

F-100-S5-SR

When the team needed an extra push, the Fighting 100 was formed--a real yelling bunch!

For athletically inclined, Heath had the Girls' Athletic Association, for those who wanted to yell only, we had the "Fighting 100", for the boys there were the varsity sports, and for those who earned letters, there was the Varsity "H" Club.

HEATH HIGH'S FABULOUS GIRLS' TEAM

This team was undefeated during the school year and counted among their victims, Licking Valley, Newark High and the women faculty members!

Heath's first homecoming was a wonderful one. Beautiful girls presided: Sharon Ford, Veda Rich, Sandy Clark and Pam Franga. The voting of the student body named Veda as the Queen and she was a lovely queen. She was escorted to the game by Charles Moore and given a traditional kiss by Mark Clark.

Licking Heights won the ball game, but that didn't ruin the evening as the Homecoming Dance that was held at Fulton was a big success.

## HOMECOMING

Fulton Gym was the scene of our first Homecoming Dance.

Queen Veda "ruled" from her throne.

Heath's first "pep band", that played at many assemblies and ball games.

Veda's hair stood on end at the mission.

Senior football players gave us an assembly we will never forget.

Go, go, team

One of the best assemblies was the one presented by John Reedy and Dan McKay - Civil War, 1864 -

Seniors first into the gym, followed by Juniors, Sophomores, Freshmen, and 8th grade. The "best part of the school week."

## ASSEMBLIES

Our cheerleaders gave us some very interesting assemblies.

The first prom held at the high school was a big success. The Student commons area was the "flight deck" and refreshments were served there. Going into the gymnasium by the way of a "space ship" one landed on the edge of the moon, with craters surrounding the floor and a volcano erupting in the background.

The beautiful queen, Sandy, was crowned, the will and prophecy were given and Mr. Swank made a few remarks, and then all danced to the music of the Gene Snelling orchestra.

Mike Allen gave the welcome, Tom Rosser read the prophecy.

The rain and misfortune hit our baseball team and as Coach Brigner said, except for one run here and there, we would have had a championship team.

But, the whole school was proud of this team that brought our first trophy to the showcase - 2nd place in the County Tournament.

Heath faculty tangle with the Harlem Satellites in the gym. Mr. Kalligeros "starred" in this game, but the teachers lost anyway.

Our 8th and 9th Grade cheerleaders: Stephanie Ashley, Dara Huggins, Patti Helphrey, Cathie Pine, Terry Porter.

Heath's Cheerleaders were the best in the County in 1963-64. They included Sandy Clark, Marilyn Swick, Veda Rich, Beth Guss and Carol Oliver.

The school banner, a gift of the Class of '63.

## Cheerleaders

THE VOCATIONAL INDUSTRIAL CLUB is a student organization of the Heath Area Vocational School, and a chapter was organized in 1963. During the school year, the Heath Chapter was very active and received many honors and served as host chapter of the Spring Conference. Advisors are Mr. Stewart and Mrs. Glover.

Many honors were won by members of the club. Judy Albaugh, Judy Hunt, and Bernadine Green won awards for Hair Styling. Ellen Felumlee, a gold award for extemporaneous speaking, Nancy Mowrey an award for job application, and Steve Davis an award for prepared speech. The following received awards for being outstanding students in trade, study, and citizenship: Ellen Felumlee, Fred Lusk, Larry Myers, and Jack Caughenbaugh. Diane Ford and Larry Myers were state officers.

Larry Myers and Diane Ford campaigned for state office in the V. I. C. Campaign directors were Sherry Walsh and Gerald Franks.

Heath took their own band with them to the state meeting: John Metz, Bill Miller, Darlene Marriott, Gaylord Johnson.

We work at our trades.

We campaigned for election.

## During The Year. . .

We all look forward to lunch.

We concentrate.

We listen to outside specialists.

## Editor's Letter

As this school year ends, so does a phase of our lives, leaving behind only memories. During the year, it has been the goal of the staff to capture and preserve those memories in the 1964 ERICA. The editors and the staff members have worked hard to have a complete pictorial and literary coverage of the year.

The year began with a vigorous sales campaign headed up by Mary Heckmann and the subscription team. The senior boys made up the advertising sales team and they did an outstanding job selling ads in Heath and in Newark. Steve Kominar, Steve Prehm and Danny Martin sold the most ads in a close race.

John Boner served as Business Manager during the year and did an outstanding job. Mary Heckmann was his bookkeeper and kept track of the funds needed to publish the book. Steve Prehm and John Gatrell were always on the job taking pictures of all the events as they happened. Passman's Studio did most of our developing work for us during the year, and Mr. Earl Williams of Howard's Studio made many trips to the school to capture on film the highlights of the year.

The literary editors worked hard during the year on their layouts and some of the finished pages were outstanding. Heading up the book was Mrs. Braig, whose ideas and guidance was most valuable.

The satisfaction gained from working in a unified effort to accomplish the large task of creating this book is immense. The staff has put its entire effort into producing a tangible set of memories which will become a most long lasting and well read history book.
